WWE.comJeff Hardy, JBL, Kevin Nash, Rikishi, Big Show, Shane McMahon, The Godwinns, The Godfather, Savio Vega, Mick Foley, Shawn Michaels, Booker T, Ric Flair, Triple H and Kane© all hit the ring for the last farewell The Undertaker. Video pack powered alica gave way to the introduction of Vince McMahon, standing in the middle of the ring with a dark look on his face. He threw the Scotsman through the guardrail, rolled him into the ring but only held him down for two.Reigns delivered another spear and the referee delivered another two counts.McIntyre finally handed over the Claymore, but Reigns beat the referee. It was one-dimensional and could go down in Survivor Series history as the least convincing of these Raw vs.
